X5 REWARDS PROGRAM AGREEMENT
REDEMPTION TERMS & CONDITIONS

This document ("X5 Rewards Program Agreement Redemption Terms & Conditions" or "Terms & Conditions") describes the terms and conditions applicable to your redemption of cash back rewards earned from use of your X5 credit card through the Credit One Bank X5 Rewards Program ("Program") as described in the Credit One Bank Rewards Program Supplement ("Supplement"). These Terms & Conditions supplement the Card Agreement that governs your X5 credit card account issued by Credit One Bank, N.A. ("Credit One Bank", “we”, “us” or “our”)(the “Account”). Your participation in the Program and redemption of cash back rewards is subject to the terms of the Card Agreement, including the arbitration provision, if applicable, the Supplement and these Terms & Conditions. In the event of a conflict between the Card Agreement, the Supplement and/or these Terms & Conditions, with respect to matters relating to point redemption, these Terms & Conditions control. These Terms & Conditions also include additional terms and conditions applicable to the redemption of cash back rewards. Your use of this website (“Site”) constitutes your agreement to the Redemption Terms & Conditions. If you do not agree with any of the Terms & Conditions, you must not use the Site. In order to use the Site, you must be at least eighteen (18) years of age or older, have an Account in good standing and have a valid email address.

The telephone number for the Call Center is 877-825-3242.

I. Statement Credits

All Statement Credit redemptions are final. Credit One Bank is not able to process refunds, exchanges, or cancellations.

If you choose to redeem cash back rewards credits for statement credits, you will receive a credit on the applicable statement. Statement Credits for cash back rewards will reduce the balance on your Account but will not count as a payment. You will still be required to pay at least the Minimum Payment Due as shown on your billing statement each month. A cash back reward may be redeemed in increments as low as $.01. The minimum increment may change without notice.

General

- Statement Credits will be posted to your Program card account within 7 business days of the redemption request.
- The Statement Credits will be issued to your Program card account only and may not be redeemed for cash or cash equivalents, transferred to another card, or used as a payment on other accounts.

II. Gift Cards

Gift Cards issued pursuant to the Program are subject to the Program’s Terms & conditions and the terms & conditions set by the merchant issuing the Gift Card. Redemption of cash back rewards for a Gift Card constitutes acceptance of these Program Terms & Conditions and the terms & conditions set by the merchant issuing the Gift Card. Merchant terms & conditions will be disclosed at time of redemption. Additional information may be obtained from the issuing merchant or its website.
Expiration policies and non-usage fees may apply as specified in the merchant’s terms & conditions and to the extent allowed by law.

Gift Cards are not redeemable for cash. Gift Cards may not be exchanged or returned unless damaged or defective at the time of receipt. Gift Cards previously issued by a merchant that no longer accepts gift cards or is no longer in business may not be exchanged or returned.

Except as required by law, Gift Cards will not be replaced or replenished if lost, stolen, destroyed, used without the intended recipient’s permission, or used in a manner inconsistent with any law.

Physical Gift Cards will be delivered via USPS, UPS or FedEx and are fulfilled and shipped by a third party. Should a Gift Card not be delivered to the intended recipient within fourteen (14) days of the shipping date or if there are any other issues with a Gift Card, please contact the Call Center. The Call Center will attempt to resolve any issues within fourteen (14) days of contact. Research will be conducted to determine the appropriate resolution, but in no event will a replacement Gift Card be issued more than thirty (30) days after the original Gift Card shipping date.

Digital Gift Card orders will be confirmed by an email generated on behalf of the merchant by the Digital Gift Card fulfillment vendor. Emails will be sent to the email address provided at the time of redemption.

III. Merchandise

The merchandise portion of this Site is a "live" catalog which means items come in and out of stock. Merchandise prices include taxes, shipping, and handling. Taxes, shipping, and handling prices are determined at the time of selection and vary based on the ship to address and the items in your cart.

In-Store Pick Up

In-Store Pick Up ("ISPU") is available for some merchandise items. You will receive a notification when your ISPU item is ready for pickup. You must present a printed or electronic copy of the notification and a valid government-issued ID to pick up your item. ISPU items not picked up in six (6) calendar days will be canceled, and your cash back rewards will be returned to your account. If you discover that an item is damaged or defective, you must call the Call Center to get instructions on how to return the item. Once the item has been returned, your cash back rewards will be refunded to your account within 5-10 business days.

Pricing

Due to the real-time nature of items and availability of items in this catalog, the latest, real-time pricing and availability will be updated when the item is added to the cart.

Backordered Items

When an item is shown on the online catalog, it is available, but by the time the order is processed with the supplier, it may be out of stock at that exact time. There is no way to confirm in advance if or when an item will become out of stock as it is a live catalog. Items which are no longer available ("NLA") or on back order for more than thirty (30) days may be cancelled due to unavailability; a full refund of cash back rewards will be processed for the item(s) cancelled.
Merchandise Return Policies & Process

All returns and exchanges must originate with the returns center as discussed below under Return Process.

Most new, unopened items returned within thirty (30) days of shipment can be returned for either a replacement item or a refund of your cash back rewards. If you’ve received an incorrect or defective item, you can choose to receive the correct, functioning merchandise or a full refund of your cash back rewards including shipping and handling. Restocking fees in addition to shipping and handling fees may be applied on items returned that are not damaged or the wrong item. This would be deducted from the amount of cash back rewards refunded to your account for a return.

There are some exceptions where returns are not allowed:

- Hazardous items that are gas-powered or contain flammable liquids.
- Computer laptops and desktops more than fourteen (14) days after delivery.
- Any product missing the serial number or UPC.
- Gift cards/certificates.
- Gourmet gift baskets.

Also, items that are opened, used, or shipped more than thirty (30) days ago may not be eligible for an exchange or refund.

Return Process

1. Contact the Call Center to initiate your request. Note: you will need to provide either your order confirmation email or shipping document which contains pertinent information such as order number, item number, and item name. Providing all requested information will expedite processing.
2. Within three (3) business days you will receive an email validating whether the item is eligible for return. If eligible, you will be provided with return shipping labels and any additional instructions.
3. Return Merchandise
   a. Return labels must be used for all exchange and refunds within the time frame designated (usually ten [10] calendar days); once the label expires the item is no longer eligible for return.
   b. Each return mailing label is coded for a specific shipment and specific items; please do not include items from other orders or other items and/or shipments from the same order in the same box, or you will not receive the correct refund.
   c. For special items that require a pickup by UPS, a “call tag” will be issued. UPS will attempt a pick-up at the address on the order during the next three (3) business days. No specific time can be provided for the pickup as this is dependent upon the UPS route in the area.
   d. If a specialty carrier is required for large items, the carrier will call the telephone number on the order to arrange a pick-up date and time.
   e. Return labels, call tags, and carrier pick-ups are valid only for returns shipped within the U.S.
4. Cash back rewards for returned merchandise will be refunded to your account within four (4) weeks after merchandise is received by the rewards center.

**Personal Information We Collect and How it is Used**

In General. We may collect and store any personal information you enter on the Site or provide to us in some other manner. Personal information is data that identifies you and includes (but is not limited to) your name, business or personal email address, physical address and direct telephone number. You are not obligated to provide us with any personal information, unless or until you choose to purchase something or engage in other transactions on the Site. We strive to limit the type of personal information that we collect to information that helps us accomplish our goal of providing a high level of service for the benefit of our existing and prospective customers.

Information Collected Automatically. When you visit the Site, we automatically log generic information about your computer and your computer's connection to the Internet. This information may consist of things such as device information, IP address, operating system and browser software information, and the activities conducted by the user while on the Site. An IP address is a number that allows computers attached to the Internet, such as our web servers, to know where to send data back to the user, such as the pages of the Website the user wishes to view. We collect this information because it helps us analyze such things as what items visitors are likely to click on most, the way visitors are clicking through the site, how many visitors are surfing to various pages on the site, how long visitors to the site are staying and how often they are visiting. It also helps us diagnose problems with our servers and lets us better administer our systems. It is possible to determine from an IP address a visitor’s Internet Service Provider (ISP) and the approximate geographic location of his or her point of connectivity. We may also use some of this information, such as the pages you visited on our site, to send you e-mail messages focused on destinations that you may be interested in, unless you had previously opted out of receiving such messages. We also use session data to help prevent fraud or unauthorized use of our site.

Use of Cookies. Cookies are pieces of information, usually a small text file that a site transfers to your computer’s hard drive and resides there for record keeping purposes. Cookies can make the Web more useful by storing information about your preferences on a particular site. Cookies are only read by the server that placed them, and are unable to do such things as run programs on your computer, plant viruses or harvest your personal information. The use of cookies is an industry standard and very common on the Internet. Cookies allow us to serve you better and more efficiently by retrieving information previously entered by the user, such as e-mail addresses and zip codes thereby personalizing your experience at the Website. Cookies in and of themselves do not personally identify
users, although they do identify a user’s computer.
The blocking of website cookies may disable certain features on the Site and may make it impossible to purchase or use certain services available on the Site. Please note that it is possible to block cookie activity from certain websites while permitting cookies from sites you trust.

**Disclosure of Personal Information**

When you purchase merchandise and services through the Site, we provide to the involved third-party provider, distributor, or supplier only that portion of your personal information that is needed for the successful fulfillment of your transaction. We use non-personally identifiable information in aggregate form to build higher quality, more useful online services by performing statistical analyses of the collective characteristics and behavior of our customers and visitors, and by measuring demographics and interests regarding specific areas of our site. We may provide anonymous statistical information based on this data to suppliers, advertisers, affiliates and other current and potential business partners. We may also use such aggregate data to inform these third parties as to the number of people who have seen and clicked on links to their websites.

We may also share your personal information with other companies or individuals in the following instances:

- In response to subpoenas, court orders, or other legal process; to establish or exercise our legal rights; to defend against legal claims; or as otherwise required by law. In such cases we reserve the right to raise or waive any legal objection or right available to us.

- When we believe it is appropriate to investigate, prevent, or take action regarding illegal or suspected illegal activities; to protect and defend the rights, property, or safety of our customers, or others; and in connection with these Terms and other agreements.

- In connection with a corporate transaction, such as a divestiture, merger, consolidation, or asset sale, or in the unlikely event of bankruptcy.

**International Transfers of Personal Information**

The Site is operated in the United States and, depending on your country of residence, the submission of personal information to the Site may involve some transfer of personal information to the United States. You should be aware that privacy laws in the United States may not provide protections equivalent to those of your country of residence. We have taken steps to ensure that appropriate levels of protection necessary to maintain the security and quality of your personal information are in place and that any transferred data is processed only in accordance with this Policy.
